

# Special Fund Designations

## Camp Sagitawa

Though we do carry on other special funds from time to time, we have selected a more limited list of designations on [canadahelps.org](http://canadahelps.org). These are ...

### **Building**

Our short term goals:

- 1) Finish up Phase Two of the Dining Hall Renovations
- 2) Build new cabins for the girls.

Long range goals include Staff housing, Director's home, beach house, etc...

### **Bursary**

Our Bursary is set up to assist students in returning to school. Some staff come for the summer in obedience, knowing that they are giving up a possible summer job. We are praying for \$60,000 each year to help these staff to return to school. We can help.

### **General Fund**

The average age of our support basis has grown, and as a result we have an increasing need for renewed vision among a younger support base. We are praying for 200 individuals or couples to give on a monthly basis with amounts of \$20 to \$50 a month.

### **Sponsorships**

Our Sponsorship Fund enables campers to attend camp who might not otherwise afford to come. The program is set up so that parent(s) have the option of paying what they can, and asking for assistance for the rest.

### **Waterfront Projects**

For 2010, we would like to build a pier into the deeper waters of the bay. This pier will be home for our improved safety conscious jungle swing, a water slide (already donated), a water climbing wall, and a jump onto a large blob. Would you like to help?

We also invite you to donate to any of our current Capital Goals or Wish List items. If it is not listed as a Fund Designation, simply donate it to General and then make a personal note as to what you want it used for. We will do accordingly. However, if you see a future goal or one that isn't listed that you would like to support, we would prefer a phone call first. The new information can help us make decisions and project our goals more wisely.

- ✓ You can review the Capital Goals sheet online.
- ✓ The Wish List is available by contact to our main office.
