

# SINGLE PARENT FAMILY CAMP

May 8-10, 2015 - Camp Sagitawa

## Single Parent Family Camp

May 8-10, Mother's Day Weekend

Get away for some time with your family, in a relaxing and non-threatening atmosphere. Our program fosters a supportive environment, where like-minded friends can come together to talk and share in fun activities in the great outdoors. Activities include games, canoes, kayaks, zip line, climbing wall, archery, campfires and great food.

Camp life blends the physical, emotional, spiritual, social and psychological with a flexibility that allows guests to ask their own questions. Our interdenominational approach to God's word is relational, with a mentoring model that guides others to understand how to apply it to everyday life.

Our May camp hosts a workshop, and the August camp encourages families to share in the Sagitawa Family Retreat. Workshops cover a variety of topics such as: budgeting and finances, strong-willed kids, teen years, dealing with anger, or managing stress.
