Dear Parent(s):

For most children camp is crammed with positive experiences. Like you, we want that to be true for all campers. We have added a Wellness Director to our On-Site Leadership Team this year to help all children settle in and enjoy camp activities. If we know that a child struggles with learning problems, shyness, bed wetting, or with loss, family change, or conflict with other children, it will help us be more understanding and supportive.

Children often "act out" their feelings. Therefore the more we know about your child, the better equipped we will be to provide positive experiences at camp. Information will be shared only with those who need to know. We know that you want the best experience for your youngster, and so do we.

## Camp Sagitawa Code of Conduct

All members of the Camp Sagitawa community are expected to:

***Take care of ourselves. Take care of each other. Take care of our camp.***

By coming to camp you choose to accept this Code of Conduct.

<b>Rights</b>	<b>Responsibilities</b>
