Why Use Sagitawa?

Fantastic Location

Camp Sagitawa is located on the north shore of Moberly Lake, BC. We are 20 minutes north of Chetwynd on Highway 29 — accessible by gravel road just 1 km off the highway.

Our waterfront area is on one of the nicest bays on the lake — it welcomes the morning sun, while giving shelter from the afternoon winds. The cold water is pristine: an excellent site for recreation. Our warm season lasts three months, beginning in mid May, while our colder season is from mid-November through March.

Flexible Approach & Friendly Staff

We will design a program to meet your needs, using varied elements of our [facility](#), [catering services](#) and [recreational areas](#). Our friendly staff will do our best to meet your needs and make your stay memorable. We value you and welcome your questions and input. Sagitawa is accredited with the BC Camping Association and Christian Camping International.

Camp Equipment & Skills

Sagitawa offers a wide range of recreational activities. Package rentals include the free use of equipment, but areas requiring staff are subject to extra cost — i.e. archery or guided hikes. Package deals include a value of \$60 per day of instruction for each day of rental.

Climbing Wall Our 30 ft vertical wall is a challenge. Learn the art of climbing, rappelling and belaying. Our instructors also teach safety, wall preparation and proper use of ropes and equipment. We offer six levels of instruction. Staff Required.

Zip-Line A challenge to anyone — the most difficult part is the tiny step from off the 32 ft tower to start a 300 m descent across the lagoon. Staff Required. *Also ask about our future tighrope.*

Archery Our archery range has a large backstop and 4 targets for 8 shooters at once. We teach the approach, proper shooting form and follow through for accuracy and consistency. Staff Required.

Riflery Our pellet gun range provides room for 6 shooters at a time in a well protected area with safe backdrops. Students learn about safe handling procedures, range etiquette and marksmanship. All principles taught are also applicable to hunting. Staff Required.

Sailboats The complexity of sailing provides a different kind of challenge. Learn to set the rigging, respond to the wind, make quick turns, and right a capsized boat. We have 2 mono-hulls, and a 16' Trimaran. Room is limited. Staff required.

Canoes, Kayaks A skilled paddler understands the relationship between self, the vessel and the water – and is able to maneuver through most difficult situations. We teach several levels of flat-water canoeing, river canoeing and kayaking. Canoes and kayaks may be used with or without staff instruction. Please make the rules at the end of this section available to everyone in your group.

Outdoor Ed. We teach basics in survival and orienteering. This includes knots, fires and shelters, use of knives and axes and outdoor cooking. Our **hiking trails** are available for general use. Guided hikes are also available.

Swimming Our waterfront includes a marked swim area, a jungle swing. Ask us about NLS qualified lifeguards.

Playground Swings and other equipment for younger children
Also large field and general sports equipment

Hot Tub Coming Soon! Extra costs apply.

X Skis We can bring out the X-country skis during the winter.
Also lots of ice surface available for skating etc.

Catering Options

When it comes to dining, Camp Sagitawa believes in serving quality and providing alternatives. Though we are able to make good choices in what we serve, we also want to work with you to select a menu that is considerate of those with allergies and other preferences. Our food is prepared in a regularly inspected Food Safe environment.

We wish to cooperative by preparing meals that suit your particular program. For some groups this may mean a Christmas in September, or a backwards meal for a bit of fun, or perhaps an outdoor barbeque for a slightly different setting. Some groups have also chosen to cut costs by bringing their own food and using our outdoor fireplace for one or two meals.

We are also flexible to work with your group's choice of meal times. This of course requires good communication, since our kitchen staff will be as punctual as possible in serving each meal.

Please call us for details.

Canoe and Kayak Use Policy

Camp Sagitawa canoes are available to those renting our facility without additional cost. In order to preserve the life of the equipment, and to meet our standards for liability we would ask that you follow the procedures below.

Danger

Moberly Lake can change from calm to whitecaps in 20 minutes making it very difficult for the amateur to return to shore. The water is extremely cold further from shore, and hypothermia can occur after in as little as 15-20 minutes.

Kayaks are not allowed to leave the bay unless very experienced and having extra equipment. If you are going canoeing –

-  Let someone responsible know you are going out.
-  Stay close to shore, unless with experienced canoeists.
-  It is not wise to swamp far away from shore, unless in a group.
-  If you swamp, stay with the kayak or canoe. Never swim for land!

Have Fun and Enjoy!

The purpose of the society shall be:

1. To promote co-operative Christian fellowship and to provide a program that is designed for evangelism and the development of Christian character in a recreative setting.
2. To provide Conference facilities for Biblical and Theological studies, for leadership training and missions, and to examine the Scriptural position to social, political and moral issues.
3. To operate a s a non-profit charitable organization for the benefit of all members of the area at large.
4. The operations of the Society are to be chiefly carried on in the northern part of the Province of British Columbia known as the Peace River Country.

The society believes that:

1. The Bible is the verbally inspired Word of God, inerrant in the original writings, and the supreme and final authority in faith and life.
2. God is one God who exists eternally in three persons: Father, Son and Holy Spirit.
3. Jesus Christ, the divine Son of God, was born of the virgin Mary, lived a sinless life, died vicariously on the cross atoning for the sin of man. He arose bodily from the grave, ascended to the right hand of the Father, and will personally return to judge all men and establish His eternal kingdom.
4. Man was created in God's image, but through disobedience fell into a state of moral and spiritual corruption.
5. Salvation is by grace. It is the gift of God and not received by any virtue or works of man, but rather by personal faith in Jesus Christ through the regenerating work of the Holy Spirit.
6. A Christian man is enabled to live a godly life through the indwelling of the Holy Spirit.
7. Human destiny for a Christian is the resurrection to life with Christ forever; for the non-Christian, it is a resurrection to eternal judgment.
8. Through faith in the Lord Jesus Christ, believers constitute the body of Christ.
