Health Information! Please assure that our information about your family's recent illnesses, medications and allergies is up-to-date. All medications must be in original containers or blister packs.

The Tuck Shop operates differently at Family Camps. We only collect money toward prepaid accounts by request. Otherwise we will use the pay per purchase method. We do not enforce daily limits on junk food items. The Tuck Shop also sells Bibles, t-shirts, caps, hoodies and crafts. T-shirts that have been purchased with registrations will be handled through the Tuck Shop.

Donations for HART (Humanitarian Aid Response Teams), to help children in Ukraine go to summer camp are collected by our Tuck Shop. Campers may also designate a portion of their tuck monies toward this project. We have sent between 15 and 35 kids to camp since 2006!
